The Maxwell Center Offers a Piece of History

The Maxwell Regional Agricultural & Convention Center, known as The Maxwell Center, is currently offering to let you be a part of the history of the new venue by adding a laser etched brick paver with your sentiments or thoughts to the outdoor courtyard of the facility.

The laser engraved pavers are available to order at: www.FundRaisingBrick.com/MaxwellCenter

The pavers are a great way to add the name of your family, loved one, team, church group, recent or upcoming graduate, business, etc. to a permanent and everlasting section of The Maxwell Center Courtyard. The pavers are available in three options:

- 4" x 8" Brick with 3 lines of text, 20 characters per line for \$125.00
- 8" x 8" Brick with 6 lines of text, 20 characters per line for \$250.00
- 8" x 8" Brick with a corporate logo for \$500.00

"There were many people in the community that wanted to be a part of this historic project and the brick pavers gives them the opportunity to be remembered for generations to come. This is a great way for County of Wayne residents to remember someone close or to make their family or group be a part of something new and exciting," said James Wade Jr, Venue Director/GM of The Maxwell Center.

Pavers are available to order now at the link above. Be a part of history – Step Into The Max!
