CodeRed message from Wayne County

Due to ongoing inclement weather from Hurricane Matthew, the county recommends you shelter in place and please be prepared for 48 to 72 hours to be on your own.

Currently, The County has a curfew in place from Sat 6 pm to sun 6 am. During this curfew, there will be no sale of alcohol.

Expectations to the curfew include:

- All employees acting in a officials capacity
- Law enforcements and other government or service providers acting in their official capacity
- All citizens reporting to and from work

Be advised the Neuse River is expected to reach historical levels by midnight Sunday.

Please tune into your local weather provider for more information.
