WAYNE COUNTY OFFICIAL'S URGES CITIZENS TO STAY OFF FLOODED ROADS HAZARDOUS FOR CITIZENS AND FIRST RESPONDERS!

Wayne County, NC- Wayne County Officials urges everyone to stay off flooded roads and not go around roads that are closed by NC DOT. This places a hazard not only to the citizen's but more importantly to our first responders. **No boats** should be operating on flooded roads as this causes additional damage to properties as well as an additional hazard to our First Responders.

Law enforcement has been advised to stop anyone who disregards closed roads by vehicle or with full enforcement action.
