Wayne County Updates

Wayne County, NC – As Wayne County continues to respond to this historical flooding event, the Emergency Operations Center wants to share the some additional updates from the 3:30 PM Update:

Wayne County Libraries/Buildings Hours of Operation:

Goldsboro Library 8:30 – 5 PM

Pikeville/Fremont Library Regular Hours

Mount Olive Library 8:30 – 5 PM

Veteran's Office & Literacy Connections: Regular Hours beginning Wednesday

Services on Aging / Peggy M. Seegers Senior Center: 9-6 PM and Saturday 10 AM - 2:30 PM

Storm Debris

Due to power issues, eight of the thirteen Convenience Sites are without power, and therefore cannot compact waste. Because the sites cannot handle a large volume of waste, only household waste can be received. Recycling should not be brought to Convenience Sites until further notice. Residents who are cleaning up from Matthew, or who will later be cleaning up after the flooded rivers recede, should take any storm debris, such as carpet, furniture, or other damaged household items, to the Wayne County Landfill, located at 460 S Landfill Rd in Dudley.

Please note: Those who live in the northern side of the county should wait until the river recedes before attempting to take any storm debris to the landfill. NCDOT is also requesting that residents on the county sanitation system should not place storm debris beside roadways as county sanitation crews are not providing curb pick-up service until further notice.
