The Wayne County Solid Waste Department will be holding an Emergency HHW Event in light of Hurricane Mathew

Wayne County NC - The Wayne County Solid Waste Department will be holding an Emergency Household Waste (HHW)Event in light of Hurricane Matthew. The event is for the private citizens of Wayne County, and farmers as have been our practice in past events.

Hazardous Materials Can Include:

- Corrosive - oven cleaners, bleach, and other products that can cause skin burns.
- Reactive - chlorine, lye, some laboratory chemicals and other products that can explode or give off gasses.
- Toxic - pesticides, herbicides, antifreeze and other poisonous materials that can kill or cause illness.

Location – Wayne County Landfill located at 460 B South Landfill Road, Dudley, NC 28333

Date & Time – Saturday November 5, 2016 from 9am-4pm

Coordinator – Jeff Sparrow

Contact – 919-689-2994 ext. 310
