Davin Madden Resigns as Wayne County Health Director

Wayne County, NC – Dr. Rick Sessions, Chairman of the Wayne County Board of Health, has accepted the resignation of Wayne County Health Director Davin Madden. Mr. Madden will continue to serve in his current role until January 31, 2020.

Dr. Sessions said, “Davin has positioned the Wayne County Health Department to continue to preserve, promote and protect the health of our community. We appreciate Davin’s service and leadership to Wayne County and wish him the best in his future endeavors.”

Madden added, “It has been a tremendous honor in serving Wayne County and its citizens. I am proud of the accomplishments this department has made during my tenure. As a health director, I could not ask for a better staff of dedicated public health professionals and a more supportive board.”
